# NOMAD

NOMAD 2X AR111 GE

Nomad is a classic. This refined, industrial fitting with its visible wiring is perfect for highlighting your favourite elements in your interior. The family comprises a wide range of lighting solutions. For example, the flexible arm allows Nomad to travel a certain distance, or you can give Nomad a different look with one of the four Smart rings. Nomad minimal also combines with various shades to create a homely atmosphere. Finally, Nomad linestra combines the system with a bare strip light.
