

SCOTTY 270 LED GE

Anyone who mentions Scotty will immediately think of the catchphrase 'Beam me up'. This fitting certainly lives up to its name: the powerful beam of LED light simply reels you in to admire the architectural design. The light shines straight downwards, which prevents it from shining directly into your eyes. The rotatable LED disc can be turned through 360° and can also be angled vertically through up to 60° within its chalice-shaped cocoon. As a result of its refined design, Scotty will blend seamlessly with the rest of your interior. Don't forget to discover its travel companions Kurk and Spock. Designed by Couvreur & Devos. Good Design Award 2011.
